The leather-clad motorcyclists will kick off the 200-mile roundtrip PSE Ride for JDRF at 9:30 am from the utility's Factoria Service Center. They will ride from Bellevue to the Western Arts Festival at the Ellensburg Fairgrounds. To participate in the ride, each motorcyclist had to donate at least \$25 to help support JDRF's efforts to find a cure for juvenile diabetes. The ride precedes JDRF's fundraising event, Sunday's Nordstrom Beat the Bridge.
